Oh so STYLISH

Get ahead on 2018 interiors trends with Tikamoon

Mid-century If you thought the best thing about *Mad Men* was the interiors aesthetic, you'll go wild for Tikamoon's 50s and 60s inspired pieces featuring hairpin legs, aged wood and geo designs.

Rattan Create a boho-luxe holiday home vibe with lightweight rattan. The 50s inspired designs combine elegance with originality.

Marble An easy way to give your new home a luxurious upgrade is to add touches of marble into the mix. Think drinks coasters or bathroom washbasins.

Cabinet: £839

SOMETHING FOR EVERYONE

Whether you're moving into a new home or want to update your space, Tikamoon has stunning pieces to create the look you desire. All items are shipped directly from their warehouse, cutting out middlemen to make noticeable savings on price and the environment. A commitment to fair trade and sustainability means Tikamoon is a modern company that cares as much about the materials as its designs. ■
